FOCUS

Product · Brand · Marketing

Marketing with a commercial mindset.

I am a marketing and brand management professional with experience across product strategy, campaign planning, trade marketing, market development and business development.

My approach connects market understanding with practical field execution. I work across positioning, product planning, channel development, retail visibility, customer engagement and sales support.

My industry experience includes lubricants, where I have worked with products, territories, distribution networks, retail partners and sales teams across Bangladesh.
